PROFESSIONAL EXPERIENCE

NOVA SCOTIA COMMUNITY COLLEGE

Entrepreneurship (Work Term)

Halifax, NS

April 2019 – May 2019

- Formulated a business idea
- Created a Business Model Canvas and Business Plan to determine the framework of the business idea
- Determined start-up costs as well as monthly costs
- Utilized multiple analysis techniques to determine if the business idea is a feasible one. They include:
 - PESTEL Analysis (Political, Economic, Social, Technological, Environmental, and Legal factors in our business' environment)
 - SWOT Analysis (Strengths, Weaknesses, Opportunities, and Threats involved with our business idea)
 - Marketing Analysis (Determining our target market, competition, advertising, pricing, and determining the benefits of our business)
